

Reflections on Lesson Study

What ideas about lesson study would you like to take away from today?

What more would you like to know about lesson study?

What do you see as the most helpful or appealing aspects of lesson study, and why?

What do you see as the most challenging or problematic aspects of lesson study, and why? What kinds of support would you need if you were to undertake lesson study?

What changes would you suggest in today's presentation of lesson study?
